Partnership Agreement

NTIA BTOP Public Computing Center

This agreement is between the Florida Department of State, Division of Library and Information Services, and each library participating in the Public Computing Center Grant.

Library Name: Alachua County Library District

Partner Mailing Address: 401 E. University Avenue Gainesville, Florida 32601

The undersigned library agrees to:

- Provide free public Internet access at library outlets to all residents of the Library's legal service population.
- Participate in free training programs offered by the Division and its partners, making them available to the public and library staff.
- Participate in the expansion of public computing capacity through the installation of Workstations, LAN networking equipment, and training equipment, as appropriate.

The undersigned library further agrees to each of the following:

- To implement the project as presented in the project application and any project revisions.
- That funds or services received will be used in accordance with the application and any applicable laws and regulations.
- To provide matching funds or in-kind services as required by the NTIA BTOP program.
